Rudolph

the red-nosed reindeer

Have you ever heard about Rudolph the red-nosed reindeer?

Quiet! Quiet! I've got some bad news, folks.

Christmas is going to be canceled. There's nothing I can do.

This weather... yeah Rudolph Rudolph please, could you tone it down a bit? I mean that nose of yours... that nose... that beautiful wonderful nose! Rudolph, Christmas is not off and you're going to lead my team.

I am?

Yes sir, you and your wonderful nose of yours!

My nose, sir?

From what I see now, that'll cut through the murkiest storm they can dish up. What I'm trying to say is... Rudolph, with your nose so bright, won't you guide my sleigh tonight?

It will be an honor sir

I knew that nose would be useful someday

I knew it all wrong

Danny's sleigh ride adventure

Are you ready for a sleigh ride?

We're helping Santa deliver presents tonight, but the blizzard hit us and now the presents are all over the place! We got to pick them up and get back to the sleigh! Oh we better hurry though, it's almost Christmas morning.

Run, run, run...

Look, there's our sleigh! Now that we got all the presents back, we got to fly to the city and deliver them before the sun comes up. Let's go!

Yah, yah, yah...

What a storm, but we made it! Let's hurry and deliver the presents before everyone wakes up. Let's go!

Toss, toss, toss...

Yes! We've finished just in time, Santa's going to be so proud!

He's calling us!

Danny Go! There's a problem! The presents for your friends Pap Pap and Bearhead got mixed up somehow.

Oh no! What do we do?

You're going to have to sneak in and switch them back without waking them up. But hurry!

You got it Santa! Ok let's sneak in quietly... Shhhhhhh

Tiptoe, tiptoe, tiptoe...

We did it! We saved Christmas! Now let's get this sleigh back to Santa.

I hope you have a very... whoa... MERRY CHRISTMAS!!!!!!

It's beginning to look a lot like Christmas

It's beginning to look a lot like Christmas, don't you think?

It's beginning to look a lot like Christmas

Everywhere you go

Take a look at the five and ten, it's glistening once again

With candy canes and silver lanes that glow

It's beginning to look a lot like Christmas

Toys in every store

But the prettiest sight to see is the holly that will be

On your own front door

A pair of Hopalong boots and a pistol that shoots

Is the wish of Barney and Ben

Dolls that'll talk and will go for a walk

Is the hope of Janice and Jen

And Mom and Dad can hardly wait for school to start again

It's beginning to look a lot like Christmas

Everywhere you go

There's a tree in the Grand Hotel, one in the park as well

It's the sturdy kind that doesn't mind the snow

It's beginning to look a lot like Christmas

Soon the bells will start

And the thing that'll make 'em ring is the carol that you sing

Right within your heart

It's beginning to look a lot like Christmas

Toys in every store

But the prettiest sight to see is the holly that will be

On your own front door

Sure, it's Christmas once more
