Let it snow! Let it snow! Let it snow!

DEAN MARTIN (1959)

This is one of the most famous Christmas songs.

Listen to the lyrics and write down as many words as possible!

Oh, the weather outside is frightful

But the fire is so delightful

And since we've no place to go, let it snow! Let it snow! Let it snow!

Man, it doesn't show signs of stopping

And I brought me some corn for popping

The lights are turned way down low, Let it snow! Let it snow!

When we finally kiss goodnight

How I'll hate going out in the storm

But if you'll really hold me tight

All the way home I'll be warm

And the fire is slowly dying

And, my dear, we're still goodbying

But as long as you'd love me so, let it snow! Let it snow and snow!

When we finally kiss goodnight

How I'll hate going out in the storm

But if you really grab me tight

All the way home I'll be warm

Oh, the fire is slowly dying

And, my dear, we're still goodbying

But as long as you'd love me so, Let it snow, let it snow, let it snow!

A British tradition: Christmas crackers

***It's almost Christmas and Dan and Sam are having Christmas dinner.
They're about to pull some Christmas crackers.***

They are traditionally pulled at Christmas dinner or parties.

Sam has the biggest part, so she wins the contents: a paper crown.

Go on Sam, put on the crown.

A small toy or gift like this mini golf set...

And a very bad joke that isn't funny.

"What's brown and sticky? a stick"

Now they're wearing crowns!

Don't they look great!
